EXPERIENCE

MVP APPLICATION & GAME DESIGN RIYADH

Font-end Developer (React)

2023 - Present

- Developed responsive and interactive UI for MVP clients using React, HTML5, CSS3, and JS with React Hooks, styled components for theming, and Redux for state management.
- Collaborated with cross-functional teams using Agile methodologies (Scrum/Kanban) to deliver complex web applications.
- Implemented best practices for testing, debugging, and performance optimization of React apps, utilizing Jest, and Enzyme for testing, code splitting, lazy loading, and caching for optimization.

EXPERIASOL COMPANY ISLAMABAD PAKISTAN

Web Developer

2018 - 2022

- Developed and customized WordPress themes/plugins using HTML, CSS, JavaScript, PHP, and MySQL to meet client requirements.
- Collaborated with designers, project managers, and developers to deliver high-quality WordPress websites on time and within budget, utilizing Agile methodologies like Scrum.
- Maintained and optimized WordPress websites for security, performance, and SEO using caching,
